

# Funlearnsmile

2023/2024 Annual report

*"Due to the inflation, this year has been hard for our charity and for many people out there. Despite the challenges, we remained focused on our purpose and we managed to support the children in our community".*

Louisa Dokyi- Co-CEO

**Our purpose is to advance and support the educational, physical and personal development of children in the district of Kukurantumi in Ghana by providing the right resources and a safe space where children can learn, play and express themselves.**

## ACCOMPLISHMENTS GALORE! 🎉

We were able to provide hot meals to 800 children

We provided new equipment such as tennis table, swings, footballs and a swimming pool.

New qualified members on board to support our children academically

We distributed hundreds packages of sanitary pads to girls in different schools

We were able to provide children with books and stationery for school

*Thank you for all your support, we are looking forward to seeing our charity growing and making the difference in our children's lives.*
